*Winning selection holder for a lifetime annuity may choose between the annuity or the specified lump sum. The lump sum of the “$1,000 a day for life” annuity is $7,000,000, that of the “$25,000 a year for life” annuity is $500,000. When there is more than one winning selection in a same category at a same draw, annuity prizes are replaced with the applicable lump sum, that will be shared amongst the winners in the category (see terms and exclusions in the Game Conditions [PDF - 258 KB]).
